

Argyrochosma fendleri

Atlas of the Vascular Flora of Wyoming
Copyright 1998 University of Wyoming, Rocky Mountain Herbarium
Base map courtesy of Wyoming Gap project; shaded area
is Yellowstone National Park

Plotted 10 Aug 1998
Absence should not be interpreted as meaning that the taxon is not present,
but only that there are no records at that particular locality. Also, not all known
records may be plotted here, due to ongoing data capture of the collections.
