

# Asplenium septentrionale

Atlas of the Vascular Flora of Wyoming  
Copyright 1998 University of Wyoming, Rocky Mountain Herbarium  
Base map courtesy of Wyoming Gap project; shaded area  
is Yellowstone National Park

Plotted 10 Aug 1998  
Absence should not be interpreted as meaning that the taxon is not present,  
but only that there are no records at that particular locality. Also, not all known  
records may be plotted here, due to ongoing data capture of the collections.
